

General Information Concerning
Scholarship Grants for
Trinity Lutheran Church Youth
Pursuing College or University Degrees

Trinity's Scholarship Fund, inaugurated by Donald and Margaret Brunner, was established to assist active Trinity Lutheran youth with their college or university education through grants. Applications may be obtained from the church office, or through Trinity's website, www.tlcwaupaca.org. The deadline for 2018 applications is Monday, May 7, at 4:00 p.m. Applications must be returned to the Trinity Lutheran Church office, 206 E. Badger St., Waupaca, Wisconsin 54981.

In determining the recipient of an educational grant, the Advisory Committee may take into account scholastic aptitude and achievement, extra-curricular activities, need, personal qualities such as ambition and discipline, and other factors it considers applicable. Attendance at a Lutheran college or university is an additional factor that may be considered by the Advisory Committee. In general, the grants shall be for undergraduate expenses only.

Please include your financial aid documents from your institution with your application or as soon as they are available to you. We will not be able to process grants without documentation. If you would like to send an e-mail with the documentation as an attachment, please e-mail it to tlcwaupacascholarships@gmail.com.

If you have been enrolled in college, including technical college, attach or forward academic records (report cards) for semesters completed including fall of 2017.
