

General Information Concerning
Scholarship Grants for
Trinity Lutheran Church Members
Pursuing College or University Degrees

Trinity's Scholarship Fund, inaugurated by Donald and Margaret Brunner, was established to assist members from Trinity Lutheran Church with their college or university education through grants. Applications may be obtained from the church office, or through Trinity's website, www.tlcwaupaca.org. The deadline for 2021 applications is **Thursday, April 29, at 4 p.m.** Applications must be returned by email to tlcwaupacascholarships@gmail.com or to the Trinity Lutheran Church office, 206 E. Badger St., Waupaca, WI, 54981.

In determining the recipient of an educational grant, the Endowment Committee may consider scholastic aptitude and achievement, extra-curricular activities, need, personal qualities such as ambition and discipline, and other factors it considers applicable. Attendance at a Lutheran college or university is an additional factor that may be considered by the Committee. In general, the grants shall be for undergraduate expenses only. The Committee highly encourages students to consider attending seminary and offers a much larger scholarship for those who do.

Please include your financial aid documents from your institution with your application or as soon as they are available to you. We will not be able to process grants without documentation.

If you have been enrolled in college, including technical college, attach or forward academic records (report cards) for semesters completed including fall of 2020.
